Wonderful was your love for us...

Dallas | Fort Worth Labrador Retriever Rescue Club and our volunteers mourn the passing of Eddie Pascacio. Eddie was a special friend of the DFWRRC organization, and a man who touched the lives of everyone who knew him.

Eddie was a talented area runner and duathlete with a passion for saving Labrador Retrievers.

Eddie and his wife Jenni joined our group in 2004. They have fostered many Labradors, including the three they adopted (Stoops, Laci and Greta), and committed countless volunteer hours to special events including the Sporting Chance Golf Tournament and Byron Nelson concession stands!

Despite a very healthy lifestyle and being a non-smoker, Eddie at the young age of 42 was diagnosed with Esophageal Cancer. He lost his battle with this silent killer in August of 2009 (only 6 months after diagnosis). This Race will honor the memory of Eddie and his love for Labradors.
