

DFW Labrador Retriever Rescue Club, Inc. Owner Surrender Application

This application is only the first step in the process of having your Labrador considered by our Director of Incoming. The surrender process can take several weeks and generally will not happen overnight. This application is for consideration of your Labrador Retriever into our program, not a commitment of acceptance.

Important Considerations:

- A completed surrender form does not obligate DFWLRRRC to take your pet.
- Aggressive dogs will **NOT** be considered.
- DFWLRRRC may request a minimum fee of \$100 from individuals wishing to surrender their pet in order to help with the initial care and feeding.
- DFWLRRRC does not have a shelter or other facility. Our ability to rescue Labradors is dependent on the number of available foster homes.

The surrender application is intended to provide general information about the Labrador you wish to surrender to DFWLRRRC. When completing the application, please be completely frank as it helps DFWLRRRC volunteers to properly place your Labrador in another home. Negative behaviors **DO NOT** mean we will not accept your dog into the program. What you perceive as negative may be typical Lab behavior.

Once you submit your surrender application, a volunteer member of our incoming team will contact you, generally by email. **This may take 7 to 14 business days.** Depending on the number of Labradors in the program, we may not be able to take your dog immediately. Thank you for your understanding and patience.

DFW Labrador Retriever Rescue Club, Inc. *Owner Surrender Application*

Can you foster the dog until we find a foster home?

I agree that if DFWLRRRC accepts my dog into the DFWLRRRC rescue program that it will, at that point, be under the care of DFWLRRRC to find it a home and I cannot give my surrendered dog to anyone else. Anyone interested, including friends and family, will be directed to fill out an application with DFWLRRRC.

We will need a picture of your dog to process your surrender application. Please send pictures with this form to surrender@dfwlabrescue.org. We will not process your surrender application without a photograph.
